

MY TURN

SAFE OR UNSAFE?

Directions: Read each situation and decide if it is Safe or Unsafe. Explain why.

1. Jason loves to play online games. His parents always sit with him when he is online. He likes to chat about the game he is playing with people he knows only online. He only talks about the game they are playing.

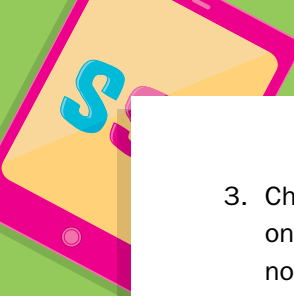

SAFE OR UNSAFE?

Explain your answer:

2. Marsha's friends have friends they only know online. These friends have now included Marsha in their chats. She is excited because she feels like sometimes it is easier for her to talk to people online than to talk to them face to face. They share all kinds of information with each other. Marsha has talked about where she lives and her parents' work schedules with others. She has shared that she is so happy to be part of these chats because she spends so much time alone.

SAFE OR UNSAFE?

Explain your answer:

- 
3. Christine's parents have rules about her Internet use. They always supervise her while she's online. They use all the parental controls to make sure that Christine is safe. Christine does not think this is fair. She thinks her parents are treating her like she is a baby. She likes to go online at her friend's house because she is able to go to any site.

SAFE OR UNSAFE?

Explain your answer:

- 
4. John has met lots of people online through online gaming. Sometimes they talk about the game they are playing; sometimes they talk about their classes at school; sometimes they talk about music, sports, or their hobbies. He only shares information with his online friends about these things.

SAFE OR UNSAFE?

Explain your answer:

- 
5. Kelly's friends like to play jokes on each other by taking silly pictures of each other and texting them to others. The pictures were always funny and didn't hurt anyone's feelings, until one of her friends started taking embarrassing pictures of some of their friends. One of the pictures was taken of Kelly when she was changing her clothes. Kelly is upset about this picture and she is worried the picture will be shared with other people.

SAFE OR UNSAFE?

Explain your answer:
