JOURNAL

A change in a person's behavior can sometimes give us a hint that something is making them **unhappy**, **scared**, or **confused**. What would you do if you noticed that your friend's appearance or behavior had changed like Zoe's did? Who would you tell and why?

BUILDING THE BACKGROUND

Before viewing the video, read the statements below. In the **Before Viewing** column, mark whether you **Agree (A)** or **Disagree (D)** with the statement by writing the letter “**A**” or “**D**” in the circle.
